REDWOOD ACADEMY

F Foundation Phase GRADES 1 TO 3

FOUNDATION PHASE

The Redwood Academy foundation phase team takes a holistic approach to education. Learners are stimulated through academics as well as fun activities to make their school days pleasant. A blended approach brings about balance between the classroom and receiving physical stimulation.

The environment is dynamic and multi-cultural in small classes where educators know each child and your child will never be lost in a large school environment and never fall between the cracks.

We aspire to equip students with the skills they need for successful ongoing, lifelong learning, making Redwood Academy a school of choice.

THE NEW REDWOOD ACADEMY

The new Redwood Academy campus is nestled in the heart of Lenasia in a safe and convenient area.

The classrooms, studios, laboratories and centers all form part of our school's beautiful architecture which incorporates the necessary sporting facilities.

GRADE 1 ORIENTATION

During the first 2 weeks of school, grade 1 learners undergo our school readiness program. We also provide an **Orientation Guide** for parents and a meet and greet is arranged in January.

The Redwood Tree

My father once told me a story about an old Redwood tree –
How she stood tall and proud –

Her sprawling limbs clothed in emerald green.

With a smile,

he described how she was a mere sapling –
sheltered by her family and basking
in the safety of the warm, dappled light.

But as this tree grew taller,

She found herself at the mercy of the cruel wind and the vicious rain.

Together, they tore relentlessly at her pretty boughs.

Until she felt as though her heart would splinter.

After a long, thoughtful pause, my father turned to me and said:

“One day, the same may happen to you, and when that day comes –
remember the Redwood tree.

Do not worry about the cold wind and the vicious rain –
do as that tree did and just keep growing”

- - Lang Leav (adapted)
